

MARCH 2021 MYF UPDATE

Looking Back: February MYF

In February, the youth had another Zoom meeting, this time focusing on the topic of the five love languages based on the book that the youth were given entitled “A Teen's Guide to the 5 Love Languages: How to Understand Yourself and Improve All Your Relationships.” Youth were also given a DVD of the movie “Amazing Love: The Story of Hosea” which shares the story of Hosea and his unconditional love for Gomer to illustrate God’s love for mankind. The youth also received items in their February MYF box such as a perpetual calendar on falling in love with your bible, a love bookmark and assorted Valentine’s candy.

Looking Back: Service Activities in February

In February, the youth were encouraged to demonstrate two of the five love languages in a gesture towards others. In their MYF box, the youth were given a “What I Love about You: Fill in the Love Book” to complete and give to someone they know whose love language is “Words of Affirmation.” The second item in their box was a set of Fill-in-the-Blank Coupons in which they were encouraged to write down Acts of Service and then give to a person who has this as their love language.

Upcoming: March MYF:

DATE CHANGE: Our next MYF Zoom meeting is scheduled for **Sunday, March 7, 2021 at 4:30 p.m.** instead of the 2nd Sunday of the month which is the beginning of Spring Break and attendance is typically lower on that Sunday due to family plans or travel.

In March, our lesson focus will be on Forgiveness. Next month’s newsletter will provide a recap of the events for March.

March Service Project

Youth will be challenged to collect baby diapers throughout the month of March as a Diaper Drive to benefit HANK which is a local ministry that helps abused and neglected kids in our area. Last November, the youth from New Fountain collected new shoes for children and youth served by HANK and now we would like to continue to support this ministry in our community with this new task. If you feel led to donate diapers or money for diapers for this cause, let one of the youth or youth leaders know!
